EL PORTAL

VOLUME 35

1957

TRACY, CALIFORNIA

Foreword

"Hi" kids, I'm "Bully Bulldog," and I'm going to retrace with you some of your happy memories of 1956-57. As you thumb through the pages of this "El Portal" you will recall some of the happy and humorous experiences caught by the camera's eye.

We did not use a specific theme, but instead, our center of interest is focused on our school, its serene surroundings, and its endless educational and athletic activities. We are sure you will enjoy taking note of these records that account for the time and fun you have had at "Tracy High" this year.

"El Portal" means "the door." It is the door to a lot of fun, work, and success. It is a sad thing for those who must close the door, for they leave behind a lot of memories.

The staff has thoroughly enjoyed making this "El Portal" and we hope that you find this record of "Bulldog Land" an enjoyable one.

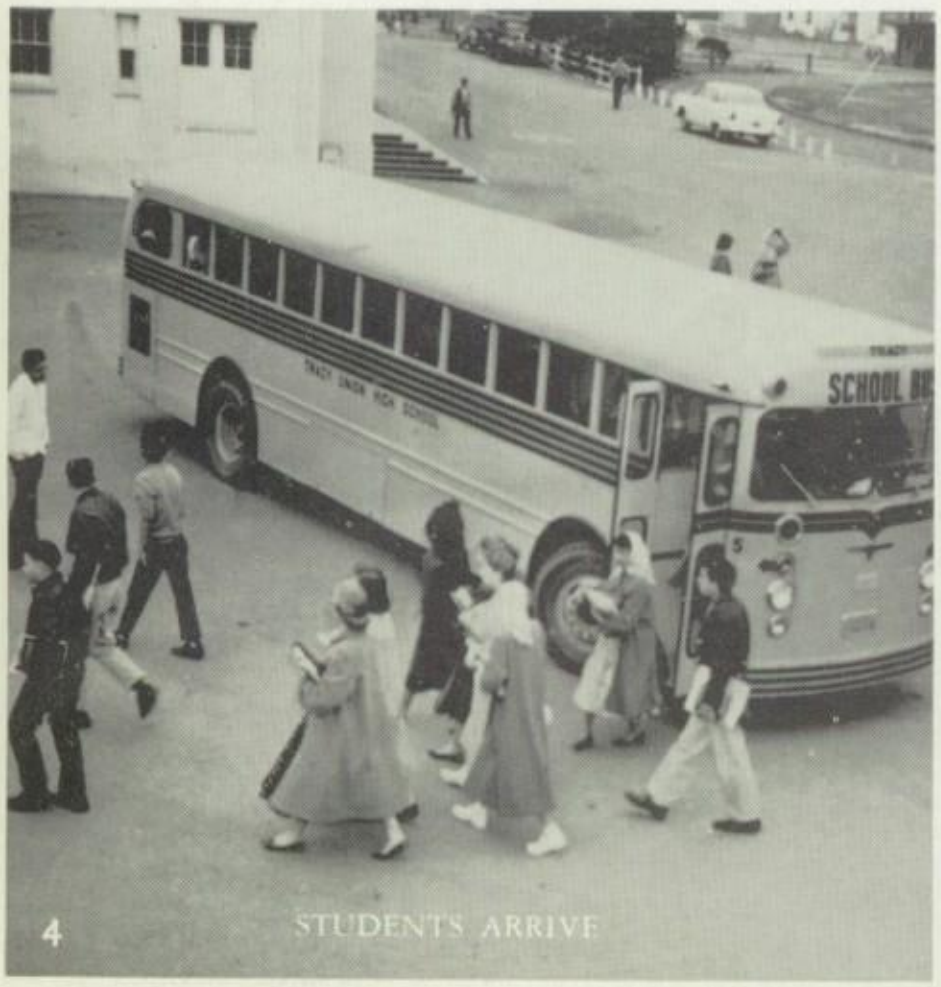
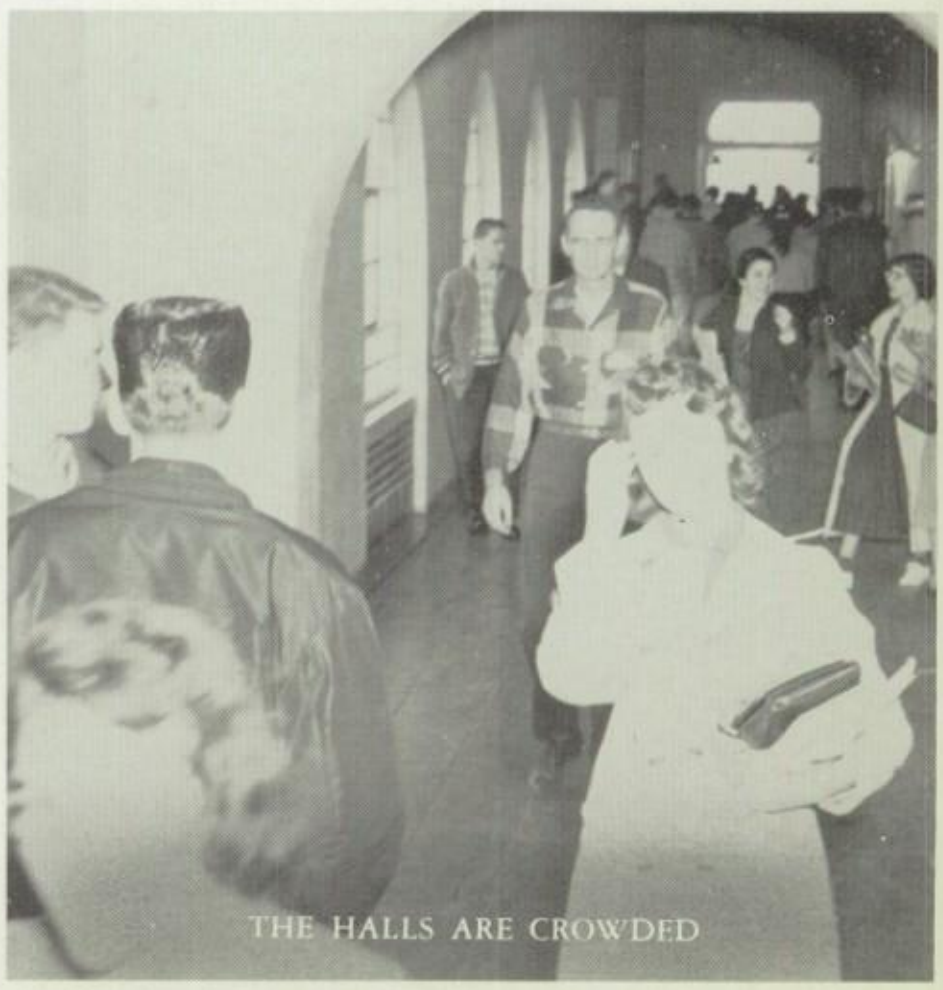
A Day With A Bulldog

THE MAIN BUILDING IS DESERTED

At seven o'clock in the morning, the Main Building is deserted. Then, as students begin to arrive by bus, car, and on foot, Tracy Joint Union High School buzzes with activity. The favorite gathering place is the hall, where they walk and talk with their friends.



STUDENTS ARRIVE



THE HALLS ARE CROWDED

HOMEROOM

ANNOUNCEMENTS

The bell to go to homeroom rings at eight twenty-five. Here, the roll is called, students may study, and the important announcements for the day are made. Of course, there are always some who have been absent and must go to Mrs. Fiack for admits.

CHEMISTRY

Classes begin and continue through the day with interesting and varied activities. Students are given an opportunity to develop their skill in shop, home economics, chemistry and typing, which may be used in later life.

In social studies we learn to live and work with others.

SOCIAL STUDIES

IT'S LUNCH TIME

Lunch time, the best part of the school day, comes between third and fourth period. The students can eat their lunch in the new cafeteria or in the old gym.

LIBRARY

Our counselors are kept busy throughout the day helping students to solve their numerous problems.

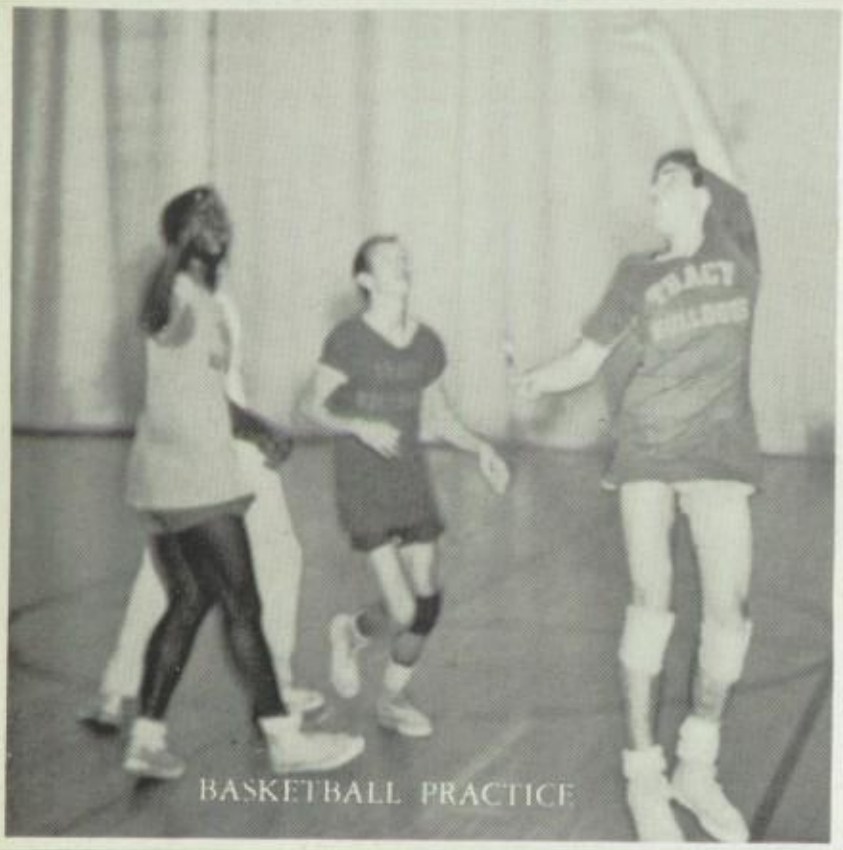
BAND

We study? in classes such as Physical Education and Band.



BASKETBALL PRACTICE

The last bell rings at three-thirty, and students board their cars for the jaunt home. However, this is not the end of the school day for many. Our athletes remain after school each day to practice whatever sport is in season.

Biology may not be the cleanest subject but you learn about the unique workings of the human body.

Senior

Seniors at last! Starting the year off the seniors marched traditionally into the opening day assembly. There we appeared very proudly in our new blue sweaters. Our routine of study was quickly interrupted when our graduation pictures were taken. Not long after that came the ordering of our announcements and the fitting of our caps and gowns. Also, in the back of our minds was the big question: what would we wear for graduation? It seemed our days were continually busy, for right after the gown fittings came the prom committee.

We took many college examinations and interest tests to help decide our futures.

All too soon came the Senior Tea with all its formality, Baccalaureate, practice for graduation, and then, the great day itself, graduation.

It has been a wonderful year; it has been a hard year, but, all in all, it will be a year we will always remember.

A new club at T.J.U.H.S. this year was the Spanish Club. Although not organized to the point of electing officers, it was very active in presenting assemblies in Spanish and in authentic costumes. Those pictured took part in the programs and are students taking Spanish classes. The programs were started as projects for the Spanish III students who produced them.

Students in Government

This year for the first time, Tracy High seniors were given the opportunity to "run" the city of Tracy for one day, April 5. This project was sponsored by the Junior Chamber of Commerce and was an experimental one, aimed toward acquainting the students with the functioning of city government. The students who participated were: Jim Busser, Don Tisher, Glenn Toon, Paul Gerhart, Dale Stocking, Pat Horrigan, Richard Bajada. Second row, left to right: Jean Kesterson, Bill Quigley, Angela Casali, Don Coykendall, Barbara Reich, and Bob Paulson.

"A" YELL LEADERS: Ron Raymond, Mary Sutton, Ruby Misquez and Ann Tutor.

SONG LEADERS: Carol Searls, Jan Duke, Judy Wolke, Evelie Terra and Olive Nelms.

Pep Squad

Ron doesn't rate with the girls, so it looks.

The "A" and "B" yell leaders and song leaders have put forth a good job of cheering. They have kept the kids at the rallies and at the games full of spirit.

One memorable experience for all of these people was the Sonora game. Tracy lost the game, but the pep squad had fun in the mud and rain.

The climax of their term was the Lions' Tournament.

"Night of January 16th"

"Night of January 16th," a comedy-drama in three acts, by Ayn Rand, was presented by the Tracy High School Theatre on the nights of November 16 and 17 under the direction and supervision of Mr. Ed Lyon.

This play, dealing with a woman suspected of killing her boyfriend, was an innovation for Tracy, due to the fact that the jury was selected from the audience.

Future Nurses' Club

The picture at the top of the page was taken at the Future Nurses' Club Tea. The Tracy Medical Auxiliary, the sponsors, entertain the girls and their mothers each year at the tea. They present pins to the girls who have earned them. They earn the points by participating in the club programs, making posters, serving on committees, and being elected to office. The purpose of the club is to inform and interest members in the various fields of nursing. This is the club's fourth year at Tracy High. The Tracy High Bulldogs in Action

Coykendall sleeps; Bradford rolls!

Shall we dance!

The Tracy High Bulldogs did not have a particularly good season this year, due to bad injuries and disciplinary action on the part of the school. Most people felt we should have done better on the football field this year; nevertheless, the football players were in there fighting all the time and deserve a lot of credit. A job well done, and better luck next year!

MR. SWENSON, *Coach*

The Tracy High Bulldogs, under the fine coaching of Mr. Swenson, had only a fair season this year. However, they surprised everyone by finishing third in the V.O.L. After losing three games in a row, the Bulldogs beat the league leading Ceres Bulldogs and went on to win five games in a row. Just as Ceres had started the Bulldog winning streak, they also ended it. Tracy placed fourth in the LIONS' TOURNEY.

Dee Team

The Tracy High DEE Team had a very successful season this year under the coaching of Mr. Zugelder. They were co-champs along with Oakdale. They won all of their games except one; this was to Oakdale by the very slim score of 22 to 20.

There were no individual stars on the team. It took a lot of hard work and hustle on the part of everyone on the team.

Cee Team

Under the coaching of Mr. Zugelder the CEE team came up with third place in the Valley Oak League, winning five and losing five. The leading scorer was Keith Stewart, who was also co-captain with David Misquez. It would be hard to single out the outstanding player on the team.

Every one did his part well and there was good teamwork. If it were not for a few bad breaks the CEE team would have done better this year.

As this year's El Portal goes to press, the Tracy High baseball team has not started its Valley Oak League schedule but looks like it might go places when it does start league play. Coach Brown has the bigger part of last year's team back and several newcomers. So far their non-league record is three wins and two losses. None of the other league teams look too good except for Sonora and Livingston. Oakdale, Ceres, and Manteca were hit heavy by graduation and don't look too outstanding. So if all goes well Tracy just might pull something out of the bag as far as the Valley Oak League goes.

For the first time in Tracy High history, golf is now one of our main sports. Mr. Harvey Miller is head coach of the team. He used to be Varsity basketball coach a few years back. Next year Tracy will go into a new league where golf is one of the regular sports just like football or anything else. We hope that Tracy will make a good showing of itself in this new sport. This year they have played a few matches with such schools as Modesto, Turlock, Downey, and others. Tracy did fairly well considering that these schools have been playing golf now for quite a few years. We, the El Portal sports staff, wish Mr. Miller and his boys all of the luck in the world in the coming years. Good luck!

Track

As this year's El Portal goes to press the Tracy High track team has made a fine showing. This is quite unusual, for Tracy has never been known for its track teams. A lot of credit goes to coach Hank Welch, who is the new track coach.

The Girls' Block "T" organization has had a successful year. They served in the booth during the Oakdale-Tracy football game, entered a float in the Manteca parade, had a Christmas party, and had a very successful sportsday. There were 12 new members initiated into the organization this past year after earning the necessary 300 points.

The class of 1960 entered as rather timid and bewildered students. They were greeted and bothered by those overbearing upperclassmen, whose only aim in life seemed to be to annoy them.

The Freshman Welcome Dance finally marked the climax to a week of initiation.

Now, they are ready for next year with confidence that they will be able to achieve their goal at Tracy Joint Union High School.

Administration

Superintendent's Message

The 1956-57 "El Portal" presents a new pattern of the Tracy Union High School campus and of the activities of students, teachers, and employees. The faculty advisors and the staff of our "El Portal" may feel certain that their review and record of the year's events and of the new school buildings will create memories which will be enjoyed by each one who reads these pages.

Teachers, administrators, trustees, and parents cherish the memories of successful students, or successful school activities. We give each student, regardless of race, color, or creed, equal opportunity of complete individual development. We want our future citizen to be physically fit, mentally alert, and spiritually sound. We strive to develop school plants which are modern in every respect and which are equipped with proper and essential tools of learning.

Students who come to Tracy Union High School with a firm conviction of acquiring a well-rounded education do not go away dissatisfied. They achieve those essential goals set before them. They may read these pages of "El Portal" ten years hence and revive memories that never fade, memories of the land of the Bulldog, memories of a Bulldog Heaven.

Principal's Message

MR. VERLIN BURCHARD
Principal

The memories that you as individuals acquire through the years should be one of your most valued possessions. Unlike material possessions, memories cannot be lost through poor management or economic depression. They remain, safely locked away within you, to be drawn upon as you so desire. A time in your life that should be the source of a great many fine and happy memories is that period when you are growing into young womanhood or manhood; namely your high school years. It is my sincere hope that each of you have had many pleasant and worthwhile experiences during this past school year that will become a part of your storehouse of happy memories. This year's "El Portal" staff has spent many hours in planning and creating a record that will in future years serve as a key to your memory vault. Here it is, the story of Bulldog Land, for your present and future enjoyment.

Wrestling Tournament

Something new was added this year with the first appearance in Tracy of the Sac-Joaquin Novice Wrestling Tournament, held December 15 in the new gym. Manteca won the meet, and Tracy placed siyth in a field of twelve schools. Only boys who had not won medals in wrestling could compete, and interest was high. Aches, pains, bruises, and a good time were had by all!

Home

This year we had a great turnout for the Manteca parade and game. The afternoon was very busy with everyone decorating cars, floats, and speculating on who would have their initials engraved on the trophy for the winning float. That day the weather was just what we needed to boost our spirits. The parade was a great success and the queen, Janice Marks, ruled over the

festivities. She was chosen by the football team.

The evening that followed was filled with hope and anxiety, for we played our rival, Manteca. Our spirits were a little shattered at the loss of the game, but the feeling was still there that everyone had put forth their best ability and every effort possible.

Doings

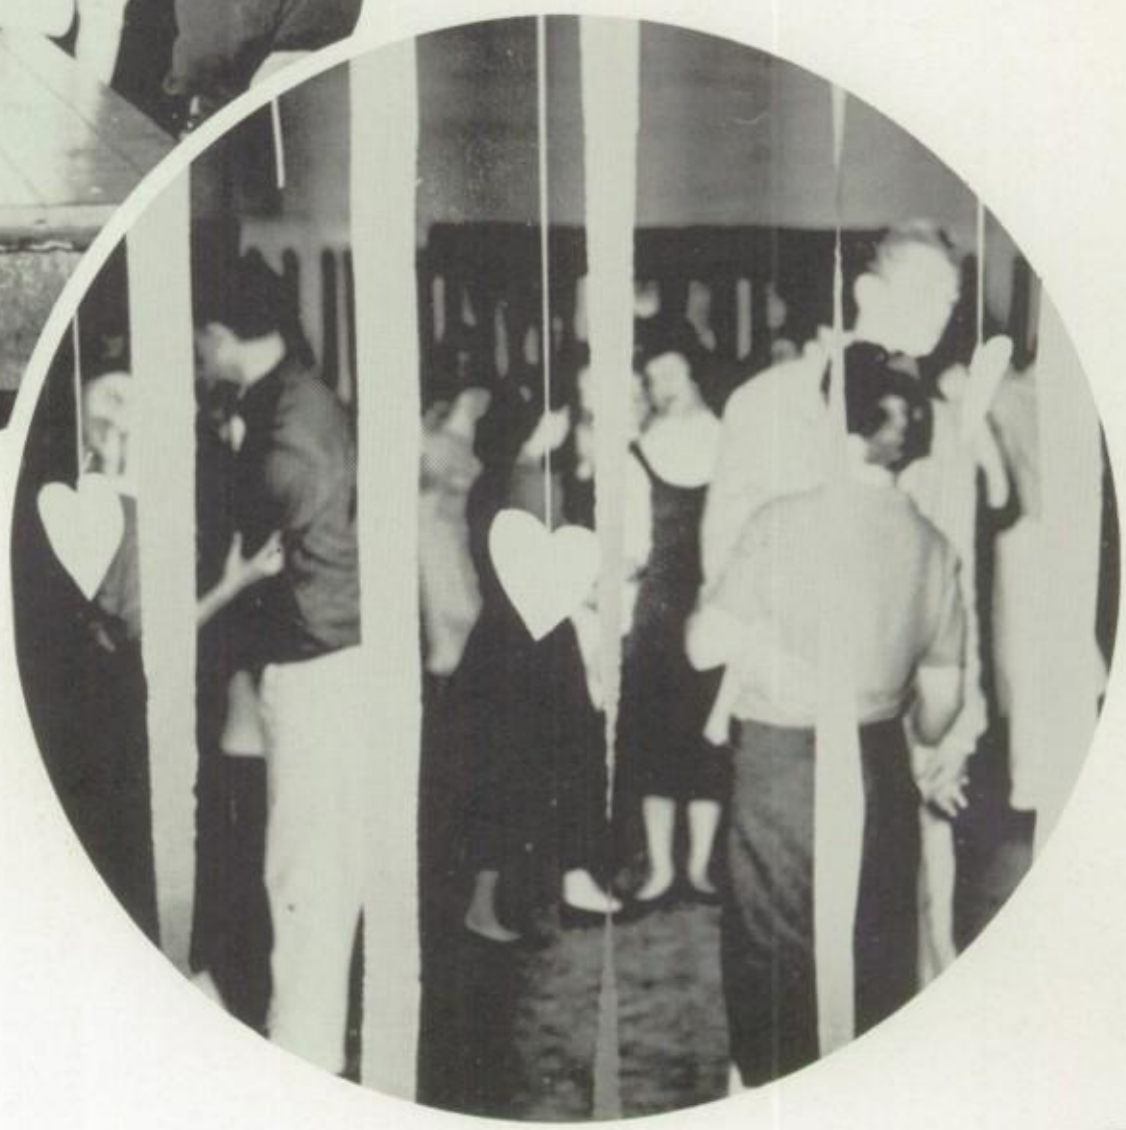
Christmas Tea

On December 13, the Foods I class held their annual Christmas Tea. The girls invited their mothers and the teachers, who were served delightful Christmas cookies and punch. The girls worked hard preparing and decorating but were generously rewarded by the good time that was had by all.

Christmas Program

"Merry Christmas" echoed through the school on Wednesday, December 19, when the band, orchestra, and chorus presented a musical program for the students.

Top, the chorus performs under the direction of Mr. Lyons. Below can be seen the orchestra and band directed by Mr. Paluzzi. A portion of the audience is also shown.



Girls'

Treat

The Girls' Treat Dance was held February 11th in the Teen Age Center. The theme was chosen by the Girls' League.

Teen Age Center

Noontime activities in the Teen Age Center are very active. Dancing, listening to records, and playing games are only a few of the activities at noon in the Teen Age Center. The Teen Age Center is sponsored by the Tracy Recreation Department.

Cafeteria Snaps

The new cafeteria is very popular and convenient. Long waiting lines, such as shown below, are not often seen. In the middle picture is shown one of the many round tables. They are very nice.

Talking, as well as eating, takes place in the new cafeteria. Christmas music was played in the cafeteria at noon during Christmas season.
